

This handsome volume is designed exclusively for divers and aquarium hobbyists. Covering all the world's species -- 83 angelfishes and 121 butterflyfishes, it is the first comprehensive guide to these popular families. Few other fishes are so intimately related to the coral environment, and none exhibit such a remarkable array of dazzling color patterns. Every species is illustrated in full color, with extra photographs provided for the very different juvenile and sex-related forms. This valuable reference contains a wealth of information pertaining to behavior, life history, distribution, and aquarium maintenance of these remarkable fishes. 256 pages, hardcover.

A Theory of Cognitive Dissonance, Brazils Developing Northeast: A Study of Regional Planning and Foreign Aid, Handbook of Adolescent Behavioral Problems: Evidence-Based Approaches to Prevention and Treatment, Surgery Sourcebook: Basic consumer Health Information About Common Inpatient and Outpatient Surgeries, Including Critical Care and Trauma, Gastrointestinal, Gynecologic an, The Kennel Clubs Illustrated Breed Standards: The Official Guide to Registered Breeds, Love for All Seasons: Eight Ways to Nuture Intimacy, The Annual, 1972 (Series in Human Relations Training),
