

The murder of his father had sent Cadell's life into a downward spiral. The murder of his mother earned him a 200-year sentence. In service to the Carnelyan Pack, Cadell struggles with his inner demon as he battles everyone around him, friend and foe. Desiree Laurence had lived the ideal life with a great husband and their beautiful son, or so she thought until she found her husband in bed with a prostitute. Now divorced, Desiree does her best to raise her son while she copes with the last gift her ex-husband gave her. When a chance encounter brings them together, they find themselves battling an attraction neither can deny no matter how much they try.
