

A wonderful and happy childrens story. "Christmas with Carly" is a rhyming story about a young girl spending her first Christmas in a new apartment. The entire family works together to clean everything and set up a beautiful Christmas tree. Carly has heard at school that there is no Santa Claus and presents are actually put under the tree by the parents. She decides she's going to find out by staying up late on Christmas Eve and looking for herself. What she sees by doing so is far more than she ever expected and results in a very surprising ending.
