

The final instalment of this SF trilogy On the far fringes of the galaxy, Adeptus Mechanicus Magos Kotov's great journey is over. He has achieved his goal – to find the resting place of the long-lost Magos Telok. But Telok isn't dead! As the brave explorers of Kotov's fleet marvel at the wonders Telok has to show them, darker plans unfold. As reality itself is threatened by impossible technologies, it may fall to a small group of Imperial soldiers and their eldar allies to thwart an insane plan and save not just the fleet, but the entire universe, from destruction.
