

Michaels Clarion Call Award-Winning Finalist 2013 International Book Awards You are all celebrated as the great pioneers creating this great Golden Age. You each hold the light, and as your Light grows, you become human Light bearers who raise the vibration of the planet so high, that you change it forevermore. This is why you are here. ~ Archangel Michael

Michaels Clarion Call serves as a compelling guide to those who are choosing love during these transformational times, as we move rapidly into the Golden Age. Through messages channeled from Archangel Michael by author Mary Soliel, which evolve into conversations between them, you will learn how to lead from your heart, clear away the old, love and forgive without condition, connect with your angels and synchronicity, and so much more. You will also receive exciting previews of what life will be like as Heaven is created on earth; such as the changes in the body, telepathic abilities, and creating from your souls desires. Reading this book is like getting a huge hug from the heavens! Michaels Clarion Call is filled with wisdom, insights and practical techniques to let life feel easier, more joyful and more prosperous, too. Most of all, this wonderful book is filled with delicious, soothing, nurturing and uplifting love. ~ Sue Elliott, Editor-in-Chief, Law of Attraction Magazine

Excerpts: The old ways are not going to work anymore, and the Clarion Call is being sounded as the time of decision-making is here. Your heart is the gateway to spiritual growth, not your mind. Feel your way into life. Feel your way into communicating with others. Feel your way into resolving conflicts. Feel your way into every part of your daily life. When you do this, you begin to see how much wisdom your heart holds. The earth is not used to this, no being is used to this, and the move toward peace will send shock waves of love all over the planet. Every thing will be filled with high levels of love and Light that will create a point of no return. You will not receive more than you can handle. Your bodies are designed to cooperate and evolve. You will gain much joy, and benefit in endless ways, by pushing the envelope in how you connect and work with your angels. Misunderstandings vanish when you become telepathic. Imagine a world where voices are truly heard. Every rock, every tree, every person, every animal, every thing will be of a higher vibration. What does this mean? It means that what moves into the fifth dimension, this Heavenly created earth, belongs there. If its not there, it either chose not to be there, or could not possibly exist in a higher dimension. ~ Archangel Michael
