

COULD HE BE HER HERO? Hope, Montana, is no longer home to Andy Granger, who sold his piece of the family ranch to developers. He's only back to run a cattle drive in his brother's stead. But the community can't forgive him for selling out. And Dakota Mason, the beautiful cowgirl he hired, has every reason to hate him. Ranching is in Dakota's blood. And now the developers have cut off water her neighboring ranch desperately needs. She's only on the ride for a paycheck, not to turn her back on her community. And definitely not to fall for some overly protective urban cowboy. But Andy may surprise everyone, including himself.
