

In The Stone of Israel and the Two Witnesses, the author, Susan Alfson, traces the history of the stone of destiny and its acclaimed status as the stone of Jacob- the father to twelve sons who later became the twelve tribes of Israel. The last book of the Bible mentions two witnesses. Susan Alfson explains how they fulfill all of the last prophecies of the Bible and how they are connected to Bible history- Old and New Testaments. This book will prove to be a real eye opener to some and a source of contention to others!
