

A dedicated doctor drives her horse through a blinding snowstorm to tend a child sick with pneumonia. An athlete, lagging behind, pumps his arms and flies past his competitors in the 1,500-meter race, to win an Olympic gold medal. In a tangled jungle in the South Pacific, an American marine baffles Japanese codebreakers with an ingenious code based on the Navajo language. Susan La Flesche Picotte, Jim Thorpe, and William McCabe are just three of the distinguished American Indians you will meet in this book- Acclaimed author Doreen Rappaport re-created one dramatic moment in each person's life to give you a glimpse of their incredible accomplishments. Each portrait has been thoroughly researched and is beautifully evoked by noted artists Ying-Hwa Hu and Cornelius Van Wright. Beginning with Tisquantum teaching the Pilgrims how to survive in a new land and ending 370 years later with Sherman Alexie writing a poem, this book provides young readers with a fresh, exciting first look at the great history and culture of American Indians.
